Please provide any comments elaborating on your evaluation of <u>this instructor's</u> teaching of this course. -
• none • I believe the worksheets helped gained the concepts of the class- and the professor continued to ensure his students' success. • Professor Carret taught me a lot about Macroeconomics and he was very organized. I feel like I learned a lot through his lectures. • Professor Carret did a great job making each topic understandable and digestible. If there was something I was not able to comprehend in class, notes on Canvas were always available to me, and he was very encouraging about attending his office hours for extra help. • Really good Professor I ca see he cares about his student and wants them to succeed. Also I think he'll he reached he shows he wants his student to understand the material. • The prof was always giving students a chance to speak and ask questions in class. He is very light hearted and funny which made me as a student feel even more comfortable in the classroom. • He's very good. The people who complain about the class are just stupid, mad they're not smart. • Very good guy. Always explained his office hours and seemed to truly care for our learning
