- Professor Carret did a fantastic job at teaching this course for me. I normally have issues with understanding the details behind some economic concepts, but Professor Carret helped to clarify any confusion I had and taught the material in a digestible manner.
- First semester here at Seton Hall. He did a good job making sure we knew what was needed of us and listened to us when we explained that some of the material was unknown to us.

- Dr. Carret did a great job of making the class interesting and is very attentive to the small details of macro economics. Allowing better understanding of certain topics, and seeing how they are impactful and important as consumers.
- The worksheets were very helpful. I wish the tests were handed back and not only accessible by going to office hours.
- I enjoyed the presentation assignment the most.
- Vincent Carret has been an excellent professor this semester. His knowledge of the topics is vast and respectable, and he delivers it in a way that is very enjoyable. I would take him again if possible.
- Great teacher, enjoyed his class
- Since this was his first semester at Seton Hall, he did a wonderful job. Us students should have participated more; we were the problem. As he adjusts here, he will be amazing.
